Strategic Work

2019 - 2020

CSF Progress Reports

2021
Evolution
of CSFs

Tracking CSF Progress

Under consideration

Scheduled for 2021 BOS Meeting

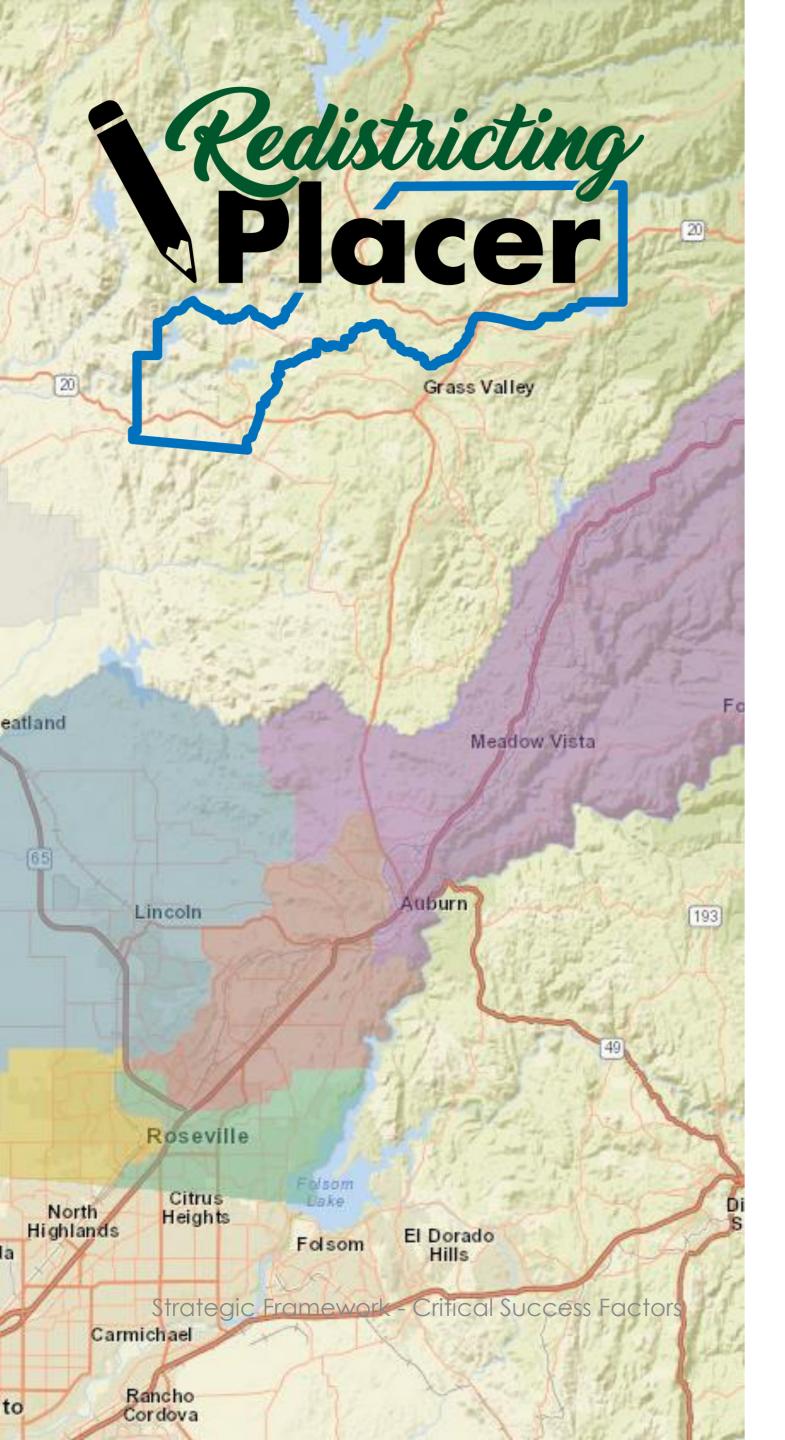

Moving ahead, work in progress

CRITICAL SUCCESS FACTOR #1

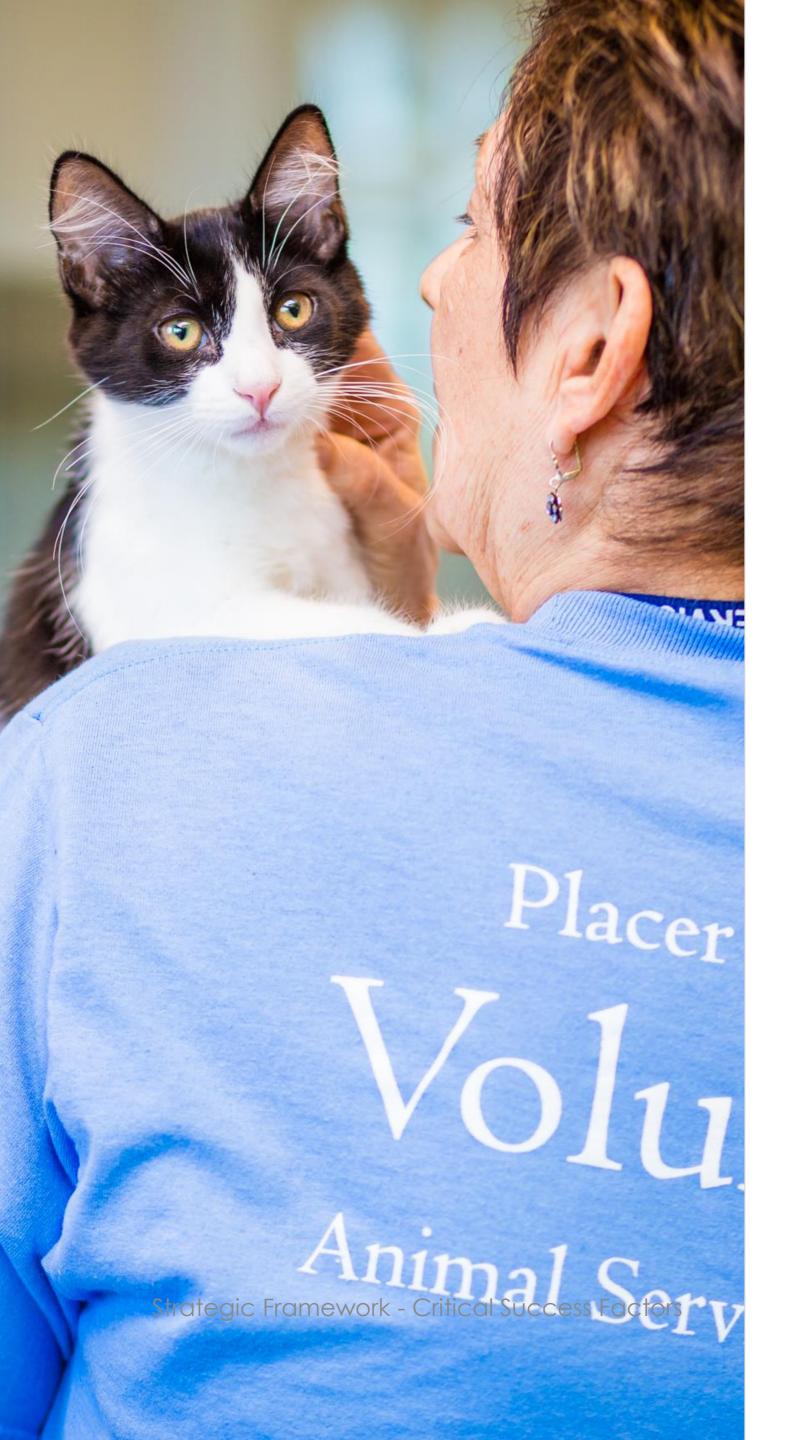

Strategic Relationships & Community Engagement

Strategic Relationships & Community Engagement

- Initiate county-wide citizen survey
- Implement new DA community outreach division
- Execute 2021 redistricting process for 2022 election filing
- Advance MAC process improvements/revisions

Strategic Relationships & Community Engagement

Encourage employee volunteerism to build community connections

Strengthen school-to-career partnerships

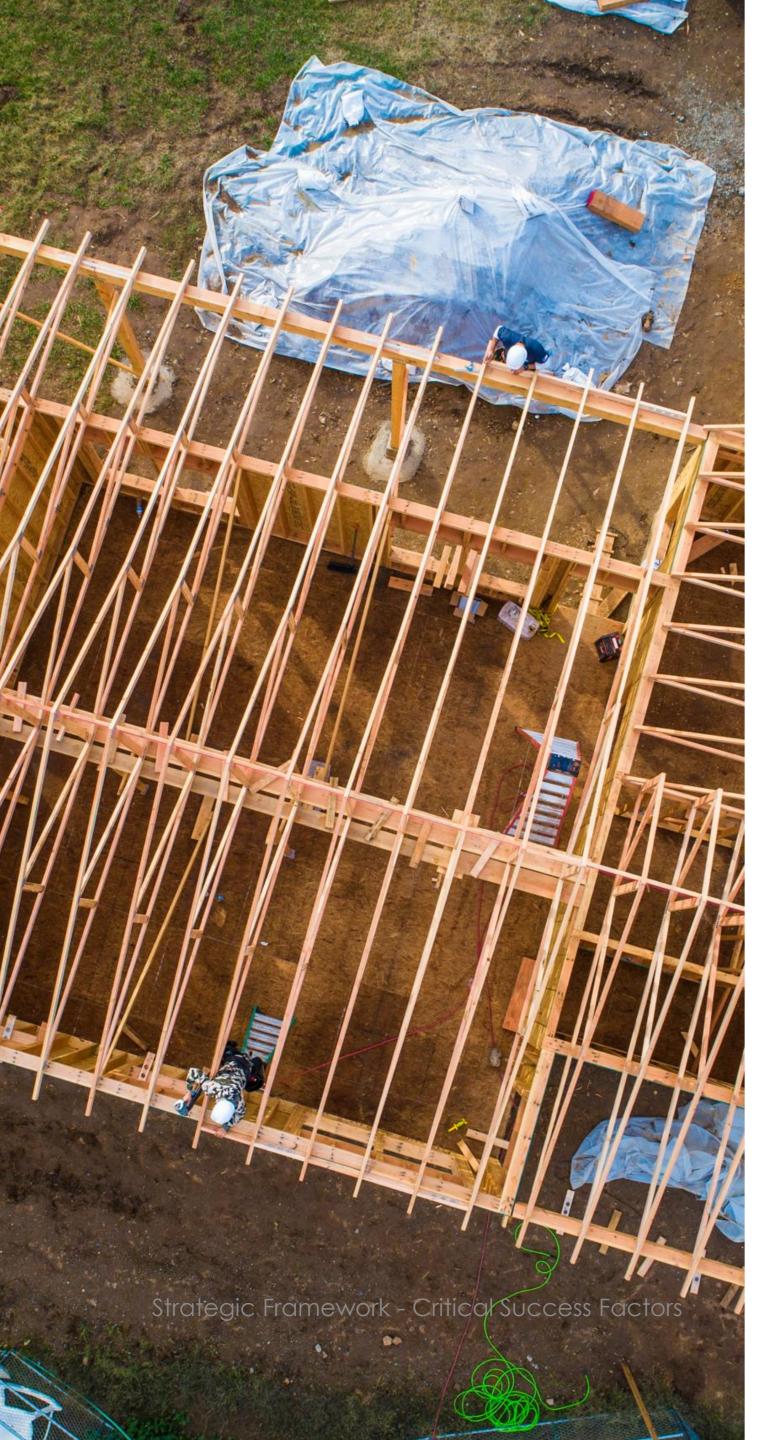

Increase community engagement on county initiatives

Develop homeless action plan w/ April 13, 2021 cities

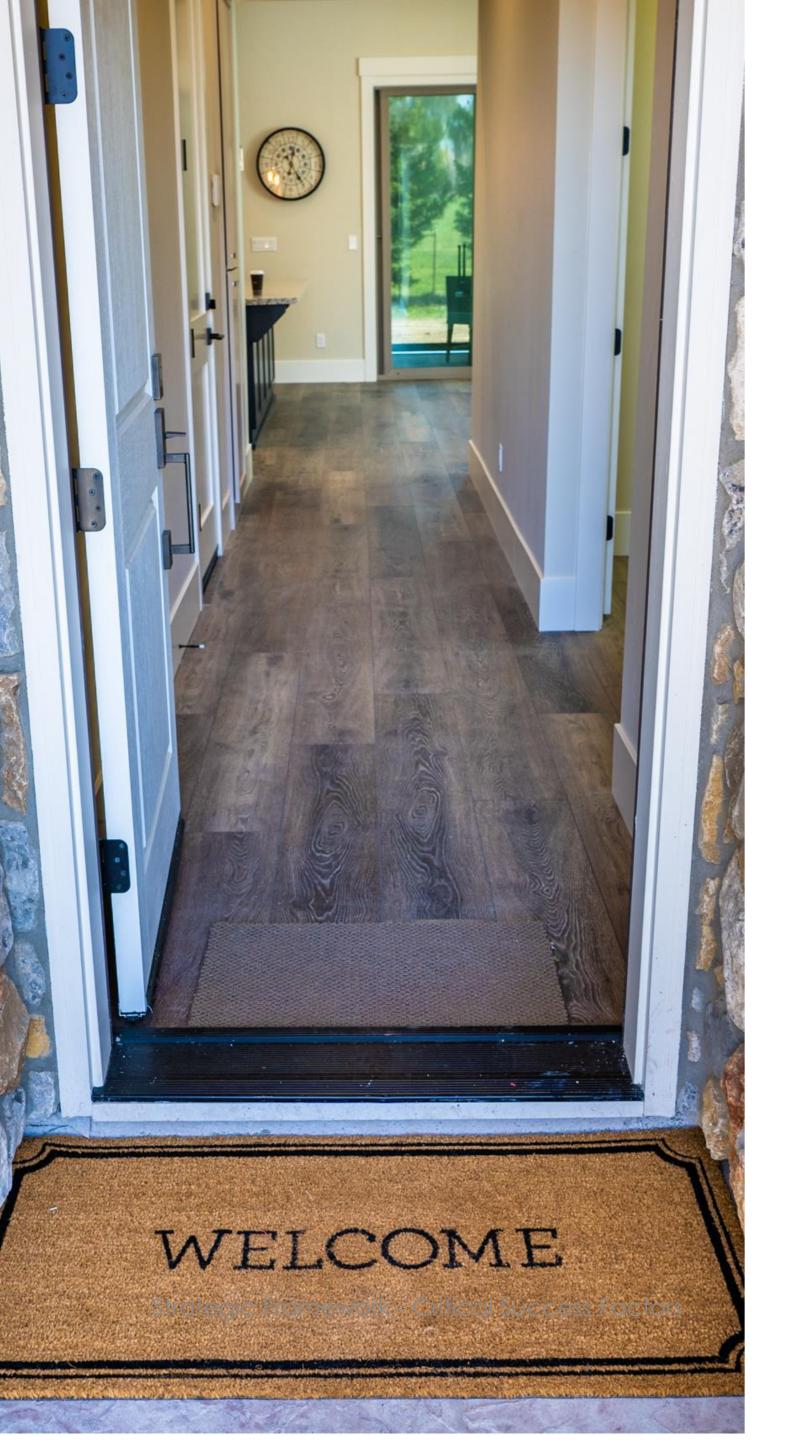

Diversity of Achievable Housing Throughout the County

- Expand programs/projects to provide affordable housing
- Update Housing Element & housing code amendments
- Pursue deed restriction program

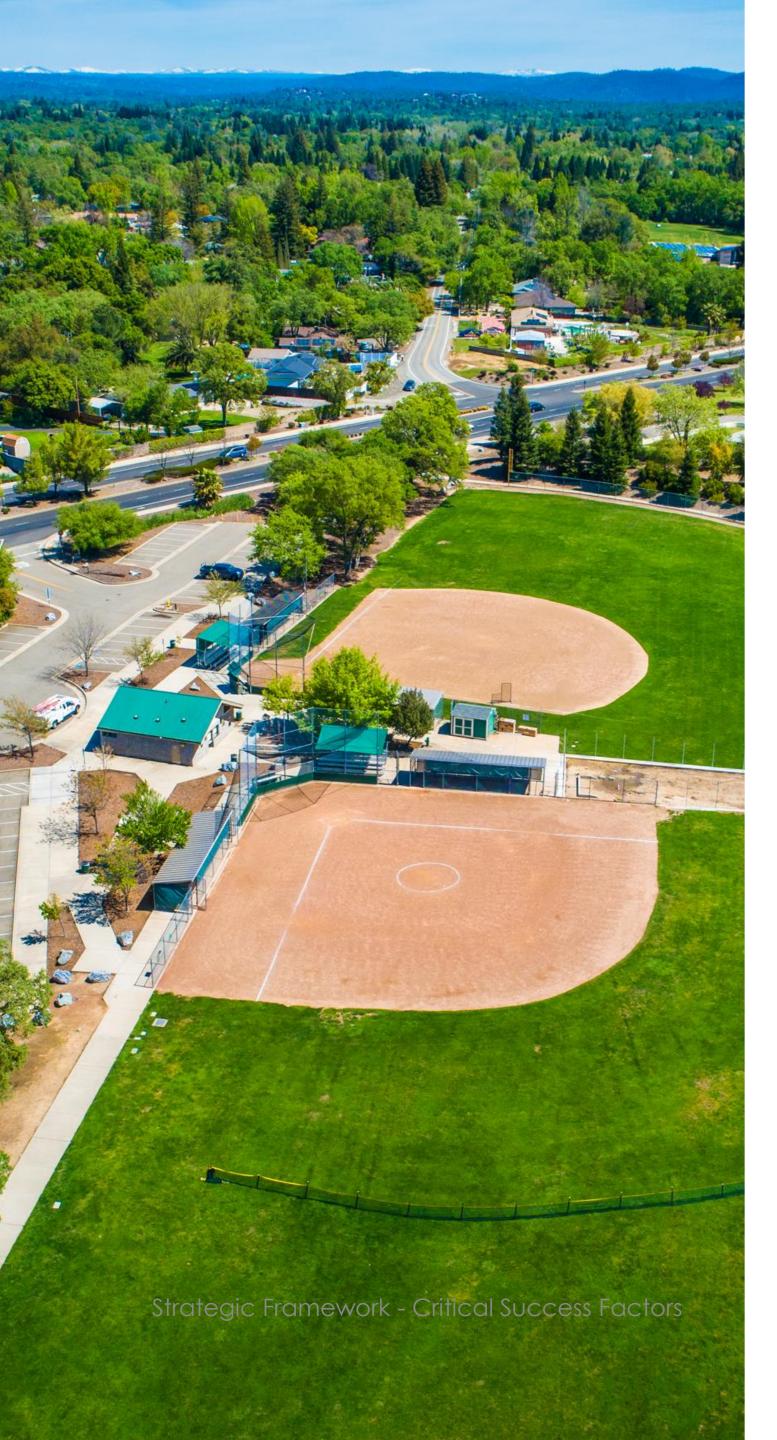

Diversity of Achievable Housing Throughout the County

- Encourage ADUs/tiny home housing alternatives
- Advance record expungement efforts that preclude ownership

CRITICAL SUCCESS FACTOR #3 Public Serving Infrastructure & Amenities Strategic Framework - Critical Success Factors April 13, 2021

Public Serving Infrastructure & Amenities

- Adopt Parks Master Plan
- >>> Update capital fee program
- Complete design/cost estimates for regional infrastructure construction
- Form Infrastructure Financing District (IFD) for regional infrastructure funding

 April 13, 2021

Public Serving Infrastructure & Amenities

- Advance 'One Tahoe' initiative for Basin transportation funding
- Collaborate with cities on transportation corridors
- Improve infrastructure to facilitate economic growth

Public Serving Infrastructure & Amenities

- Execute Facilities CIP
- Build new HHS building at PCGC
- Develop VMT threshold in Tahoe

 Basin

Incorporate PC Fire facilities in facility master plan

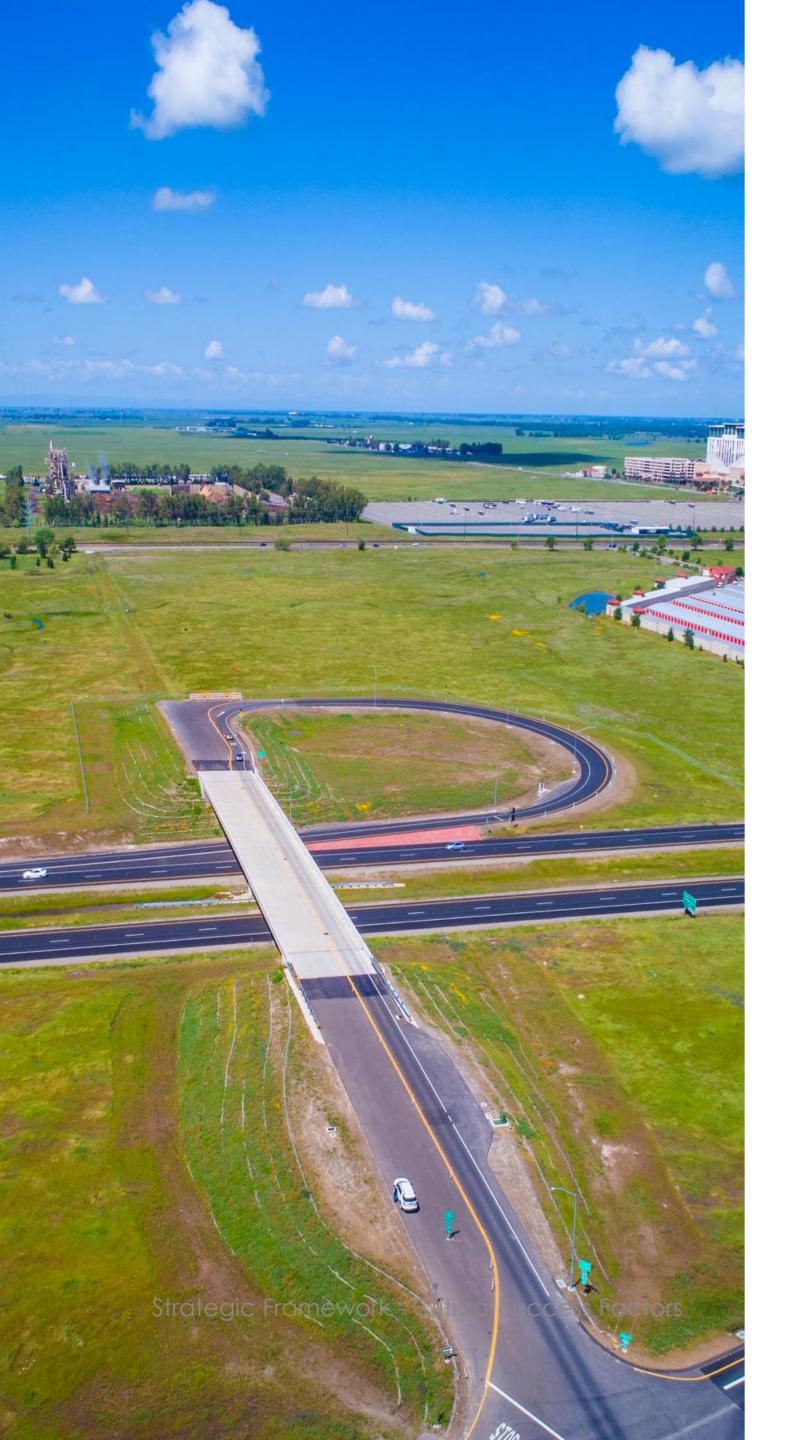

Plan. 1994. Manage. Grow.

CRITICAL SUCCESS FACTOR #4

Outcome-Focused Economic Development

Strategic Framework - Critical Success Factors

April 13, 2021

Outcome-Focused Economic Development

- Update Tourism Master Plan
- Build on county-cities-chambers COVID partnerships
- Advance long-term economic drivers, such as CSUS-Placer Center
- Assess private sector PCGC investments

April 13, 2021

Outcome-Focused Economic Development

Implement business retention strategy

Propose Eastern Placer TOT renewal

Analyze impact of upfront fees on startups

Outcome-Focused Economic Development

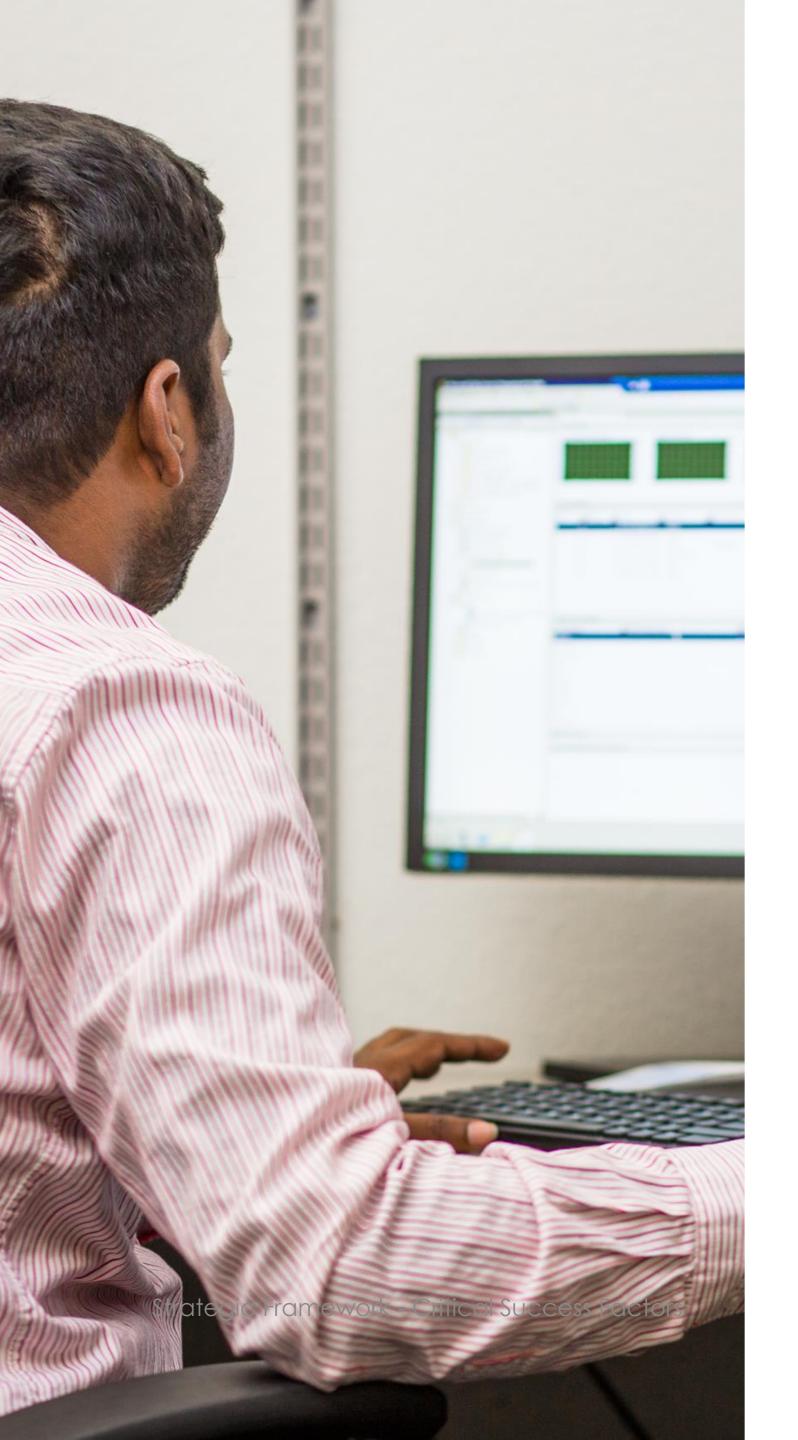

- Advance COVID recovery initiatives:
 - Jobs
 - Business
 - Mental health

Prudent and Comprehensive Financial Planning

Prudent and Comprehensive Financial Planning

Refresh community budget guide

Optimize federal/state COVID aide to advance county needs

Improve county's funded-pension status above 80%

Explore health benefit alternatives

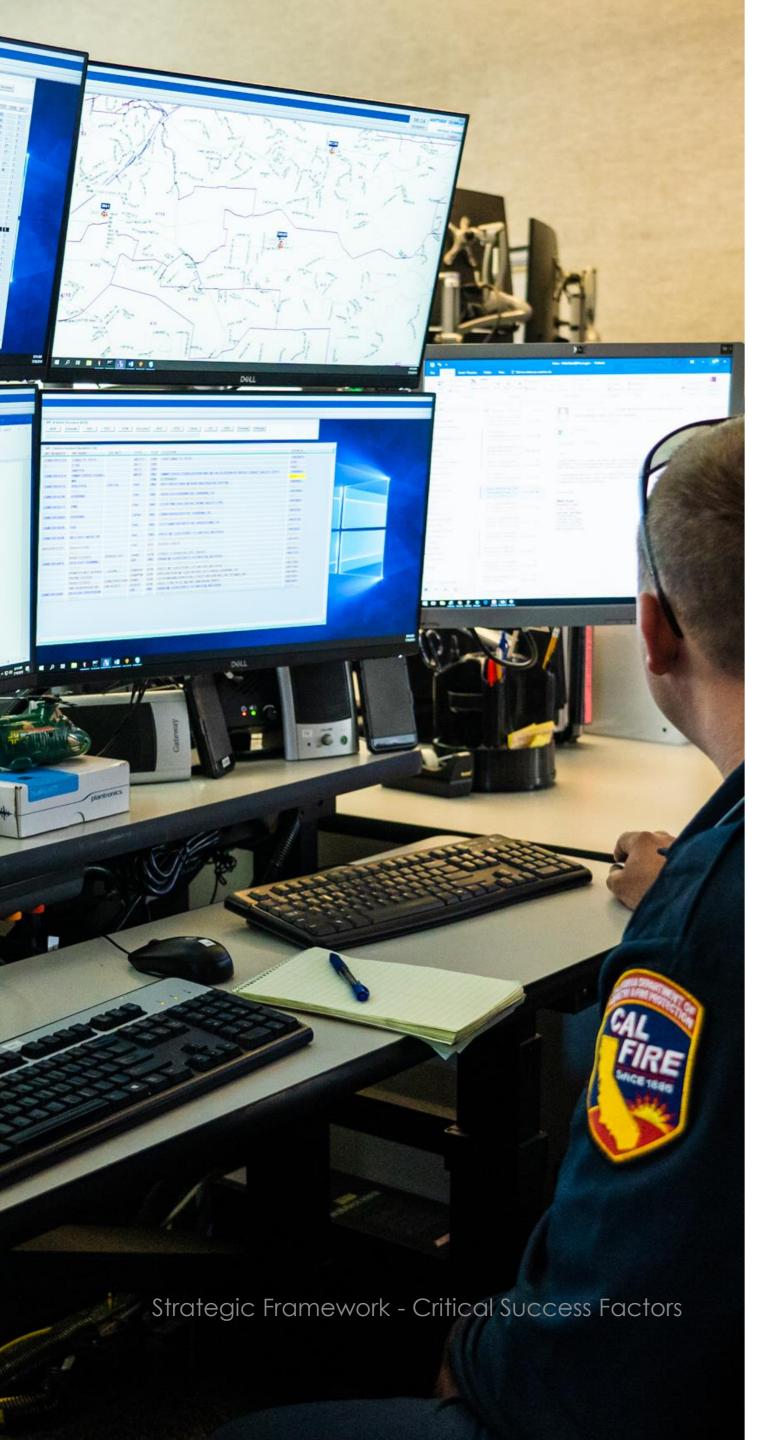

Prudent and Comprehensive Financial Planning

- Evaluate COVID impacts to property assessments
- Prioritize capital projects in integrated financing plan
- Increase HHS focus on results-driven contracting/management
 - Create cost-savings idea initiative (like Idea Accelerator)

CRITICAL SUCCESS FACTOR #6

Fiscally Sustainable Public Safety Services

Fiscally Sustainable Public Safety Services

Continue fiscal sustainability work of PCF Ad Hoc Committee

Assess consolidated dispatch alternatives

Implement behavioral health crisis services pilot

Revamp Probation programs to scale with term reductions

Fiscally Sustainable Public Safety Services

- Refresh CJPC priorities in context of legislation/funding issues
- Implement community prosecution unit to manage QOL
- crimes

Pursue criminal justice reform/programs to reduce recidivism

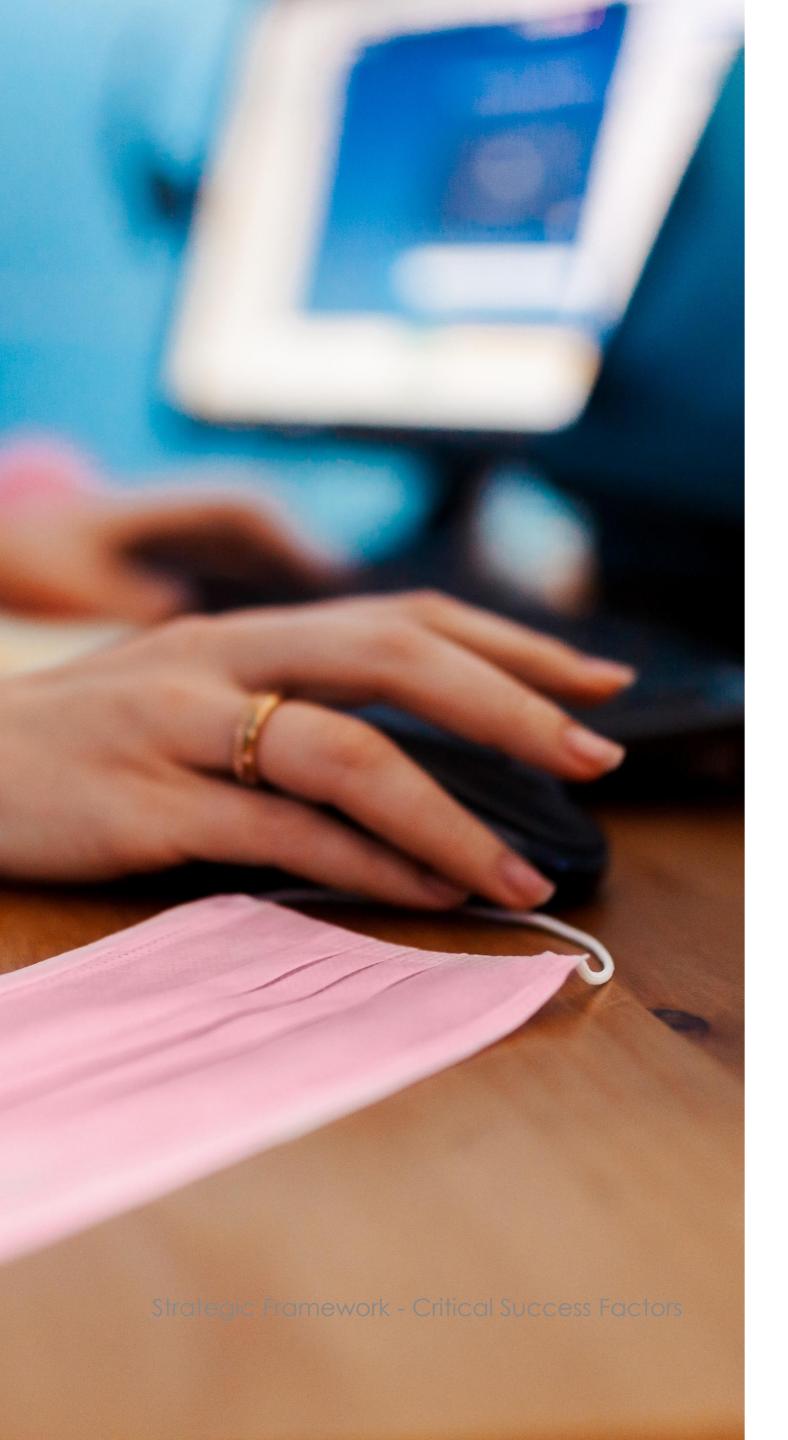

April 13, 2021

CRITICAL SUCCESS FACTOR #7

Innovative, Integrated County Services

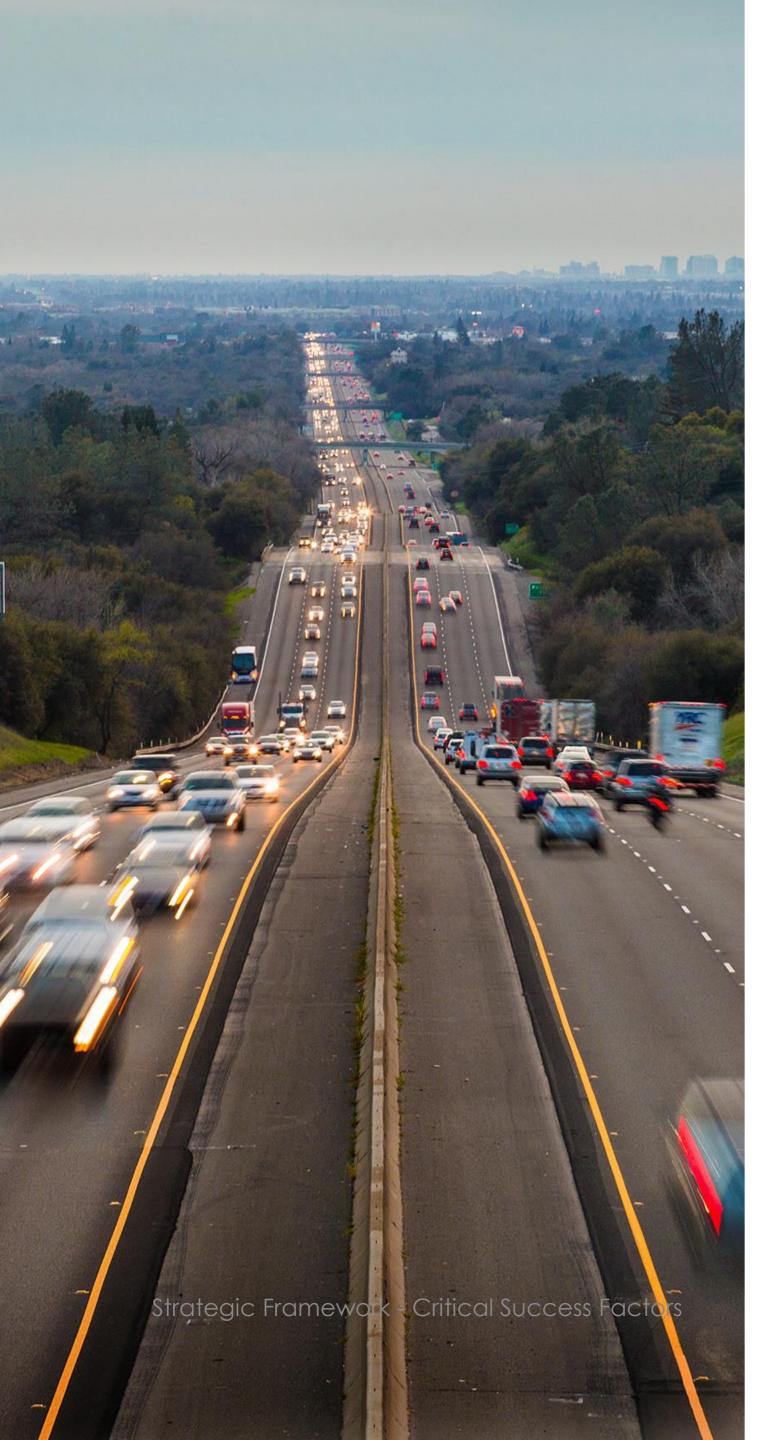

Innovative, Integrated County Services

- Adapt post-COVID telework approach
- Expand online service offerings
 - Leverage county IT solutions to support interdepartmental collaboration

Execute multi-disciplinary approach to homelessness

Innovative, Integrated County Services

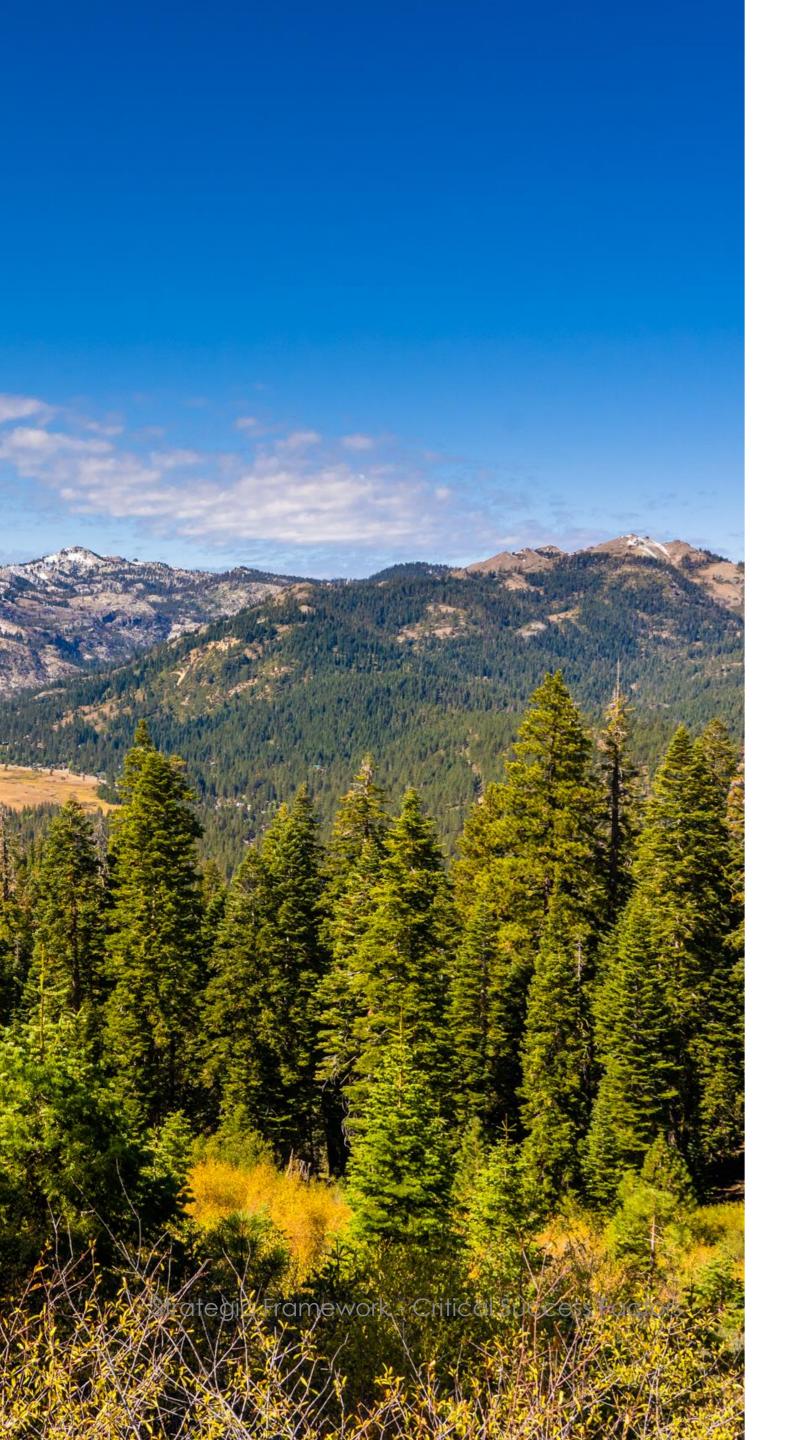

- Rebrand CSS programs: income transfer to poverty reduction
- Advance innovative traffic/transportation solutions
- Implement succession planning/staff development
 - Track/report on quality-of-life (QOL) indicators

CRITICAL SUCCESS FACTOR #8

Balanced Land-Use Planning & Environmental Stewardship

Balanced Land-Use Planning & **Environmental Stewardship**

Update General Plan

Participate in Water Forum renegotiation

Create/implement groundwater sustainability plan

Maximize wildfire prevention grants with Firewise Councils

Balanced Land-Use Planning & Environmental Stewardship

- Pursue thoughtful, well-planned development
- Enhance agricultural marketing (farm to fork)
 - Expand forest health/wildfire prevention/watershed management

Priority BOS Initiatives:

Healthy forest & watershed management Criminal justice reform/programs to reduce recidivism Enhanced agricultural marking: "farm to fork" Homeless action plan with cities Regular tracking/reporting on quality-of-life indicators Sustainable fire protection & EMS services Traffic congestion: innovative transportation solutions COVID recovery: mental health, jobs, businesses Increased community engagement

Strategic Framework - Critical Success Faction Oughtful, well-planned development
